A CENTURY ON THE GREENS: Celebrating 100 Years of Palatka Golf Club

Nestled in the heart of Palatka, Florida—just beyond the tranquil waters of the St. Johns River and adjacent to the lush Ravine Gardens State Park—lies a golfing gem that has stood the test of time. This October 2025, the Palatka Golf Club, 40-acres of towering oaks, rolling hills and challenging greens, celebrates its 100th anniversary—a milestone that honors not just a century of golf, but a legacy of community, resilience, and timeless design.

THE LEGACY OF DONALD ROSS

Founded in 1925, Palatka Golf Club was designed by the legendary Donald Ross, one of the most influential golf course architects in history. Ross's signature style—strategic simplicity, natural flow, and subtle challenges—shines through every fairway and green. The course gently tumbles over sandy ridges and wraps around the wooded serenity of Ravine Gardens, offering a layout that's as scenic as it is strategic.

The course was built for \$25,000, during a time when workers were paid eight cents an hour and it cost a quarter to play a round. In the midst of the Great Depression in 1935, an anonymous donor invested \$35,000 to improve the course. Rumor has it that it was because Babe Ruth played some rounds there.

Over the decades, Palatka has hosted prestigious tournaments like the Florida Azalea Amateur, drawing top talent and building a reputation as a proving ground for rising stars. Even future Masters champion Tommy Aaron claimed victory here in the 1960s.

CENTENNIAL CELEBRATION: OCTOBER 11-12, 2025

To mark its centennial, Palatka Golf Club is hosting a special tournament on October

11th and 12th. Golfers and enthusiasts from across the region will gather to honor the club's rich history with competitive play, commemorative events, and a celebration of the enduring spirit of the game.

Expect a weekend filled with nostalgia, camaraderie, and a few surprises—because turning 100 deserves more than just cake.

WHAT PALATKA GOLF CLUB OFFERS TODAY

Despite its vintage roots, Palatka Golf Club is anything but outdated. Here's what makes it a standout destination in 2025:

Affordable Excellence: With green fees topping out at just \$29, it's one of the best values in American golf.

Classic Course Design: The 18-hole, par-70 layout spans 5,867 yards, offering a fast-paced, enjoyable round with elevated greens, narrow fairways, and confounding contours.

Practice Facilities: Includes a unique aqua driving range, putting greens, and chipping areas.

Pro Shop & Instruction: Stocked with gear and staffed by professionals offering lessons for all skill levels.

Clubhouse & Dining: A welcoming space to relax post-round, with food

and beverage options that match the club's warm hospitality.

Community Events: From charity tournaments to amateur competitions, Palatka remains a hub for local and regional golf culture. Today, the Club hosts more than 40 tournaments a year welcoming golfers from all around the globe.

FINAL THOUGHTS

Palatka Golf Club isn't just celebrating 100 years of golf—it's celebrating 100 years of stories, swings, and shared memories. It's a place where tradition meets accessibility, where the spirit of Donald Ross still whispers through the pines, and where every golfer—novice or seasoned—can find joy in the game.

Whether you're teeing off for the first time or returning for the hundredth, Palatka welcomes you to be part of its next century.

Discover Lake County,

“FLORIDA’S LAKESIDE ESCAPE.”

Located a short drive directly west of Orlando, Lake County is a premier sports destination. Whether you are hosting a championship event, team training, corporate getaway or leisurely traveling, Lake County’s natural resources and top-notch facilities welcome competitors of all levels. Nestled among the rolling hills of Central Florida, visitors can find Mission Resort + Club in the town of Howey-in-the-Hills.

Mission Resort + Club’s two golf courses are wonderfully complementary. El Campeón (The Champion) — one of the oldest courses in the South, with classic design elements to prove it—showcases unusually sharp elevation changes in usually flat central Florida. The course is featured on the historic Florida golf trail. Las Colinas (The Hills) lives up to its name with wide fairways rolling over gentle rises. Both courses feature large, undulating greens, are surrounded by tropical

vegetation, and incorporate large water hazards on many holes.

Mission Resort + Club features 176 graciously appointed guestrooms, suites and villas; three restaurants, two lounges and a poolside bar. Recreational amenities also include tennis, trap and

skeet shooting range, jogging and bicycling trails, volleyball courts, outdoor pool and hydro-spa, fitness center, and a marina offering fishing, powerboat and eco-touring. The 6,200-squarefoot Spa Marbella provides an extensive menu of treatments and services. More than 30,000 square feet of well-appointed indoor and outdoor event space is available for meetings, banquets, holiday parties, weddings and special occasions.

Lake County is truly Florida’s Lakeside Escape with multiple waterfront downtowns and rich history to discover. The City of Mount Dora has an array of small businesses, antique shops and cuisine from around the world. Catch a seaplane ride in Downtown Tavares to Downtown Clermont and “lake hop” to the best breweries around. There’s so much more to discover and do in Lake County.

Charlotte Harbor is known for its world-class fishing, featuring offshore and back bay angling opportunities. The area is also referred to as “The Tarpon Fishing Capital of the World,” so fishing for the silver king is a true adrenaline rush.

Soak up the sun and beachcomb on some of the 12 miles of Gulf of Mexico beaches on the five barrier islands that hug the coast—some only accessible by boat — for a true natural Florida adventure.

On land, take advantage of the City of Punta Gorda’s free bicycle loaner program. Pedal away on one of the four bicycle routes, which range from 17 to 33 miles, or ride the 18-mile Punta Gorda Pathways, which circles the city and includes a ride along the tranquil Peace River.

The dining scene in Punta Gorda/Englewood Beach is an eclectic mix of seafood shacks, sidewalk cafés, waterfront eateries, fine dining, and sweet spots. In 2020, Punta Gorda was ranked #2 in USA Today’s Best Small Town Food Scene 10Best list. Primary dining

districts include downtown Punta Gorda, Fishermen’s Village, Manasota Key, and Dearborn Street in Englewood. There’s a restaurant to satisfy every taste bud.

PUTT YOUR WAY THROUGH PARADISE *in the Bradenton Area*

Home to more than 16 premier golf courses, this popular destination on Florida's West Coast is a haven for pro and amateur athletes. Challenging courses designed by legends celebrate the area's unspoiled natural beauty – from holes that border the scenic Manatee River to grounds enchanted by centuries-old Spanish moss-covered oaks. It's no wonder the area frequently hosts professional golfers for USGA-rated events, like the inaugural World Champions Cup in 2023 and PGA World Golf Championship in 2021, as well as qualifiers for major tournaments, like the U.S. Open.

What's more, the Bradenton Area offers a wealth of activities and attractions to explore when it's time to take a break from the green. Perhaps most known for the world-famous white-sand beaches of Anna Maria Island and Longboat Key, this laid-back paradise also features more than a dozen nature parks and preserves, a thriving local arts scene, and some of the freshest seafood you've ever tasted.

READY TO TEE UP SOME FUN IN THE SUN?

Our team would be happy to provide an introduction to any of the local courses and clubs – and share additional insider tips for making the most of your experience in Real. Authentic. Florida.™
